About

A passionate front-end developer with 1.5 years of experience bringing static designs to life. Adept in HTML, CSS, and JavaScript, I leverage modern frameworks like Bootstrap CSS to build responsive and engaging interfaces. Strong foundation in HTML, CSS, and JavaScript fundamentals, with eagerness to dive deeper into frameworks and advanced techniques. Also I have skills to build website in WordPress.

Experience

Portfolio Website

- I have constructed a comprehensive portfolio website to highlight my skillset and achievements.
- kk.great-site.com

Pkdomain

- I worked with Pkdomain company where I was responsible for the development of wordpress websites SEO optimization of websites.
- 2019-2022

SMIT

- Through ongoing coursework and project assignments at SMIT, I'm actively expanding my skillset in various web technologies.

YoungDev Internship

- I've applied for the Young Dev internship in front-end web development! got the opportunity to hone my HTML, CSS, and JavaScript skills in a collaborative online environment.
